

Upromise® Schools Program

Dear Lighthouse Christian School Parent:

We are pleased to announce that, beginning today, Lighthouse Christian School is participating in the **Upromise® Schools Program** – an exciting new fundraising program that can raise significant funds for our school, while helping you save for your child's college education. The program is brought to us by **Upromise**, the free service that, for over six years, has been helping families save for college.

Through the Upromise Schools Program, you and other parents can:

- **Earn bonuses for our school** – You can earn bonus funds for our school when you join Upromise and participate in select Upromise programs like dining out and shopping online.
- **Turn your everyday spending into funds for our school** – Through Upromise, you can earn cash rewards on your eligible everyday spending on groceries, gas, online shopping, and more – and allocate some or all of the rewards you earn to our school.

In addition, you can invite your **Family & Friends** to help raise funds for our school – and help you save for college, too!

Whether you're currently a Upromise member – or haven't yet joined – you can participate in this exciting fundraising program. Joining Upromise is free and easy. Simply go to **upromise.com/schools** to sign up today and learn more about this program! Existing Upromise members can link their Upromise account to our school account through the "My Account" section of the Upromise website.

Sincerely,

Steve Ervin, LCS Fundraising Coordinator
Phillip D. Byrd, LCS Upromise Schools Program Coordinator
